DAY 1 ADDIS/MEKELE/ ERTAALE

The tour starts for Mekelle you will drive to the North eastern part of Ethiopia, Danakil Depression. On the way to the lake and back we take time to watch the wildlife in this area, a lot of ostrich, different kind of big birds, antelopes and other wild animals are living there. After lunch, we proceed to ErtaAle via Kesrawat. In Kesrawat, we will pick other four special forces with us till we drop them back in the next day. In the bottom of the volcano, we will take some time till the sun goes down. After dinner, we start hiking of 9.5km (around 3 hours) to reach on the top of mountain, ErtaAle Volcano. **Overnight stay Camping.**

DAY 2 ERTALE /HAMEDELA

Next day morning you will continue to Hamedela. It is one of the most inhospitable regions of the world, but is nonetheless spectacular, full of eye-catching colors, as in the sulphur springs. The desert has several points lying more than 100 meters (328 ft) below sea level. You pass through a small town of Berhale where the camel caravans stop before they proceed to the northern highlands. En route you see many long caravans going to the salt mines and others coming out of the Danakil with their salt loaded camels. (3-4 hrs drive). **Overnight stay Camping.**

DAY 3 HAMEDELA /DALLOL/MEKELLE

After breakfast early in the morning we start our journey, with 45km through Dallol Depression. On our round we visit different places like salt lakes (red and black water), the colorful salt lakes and thermo active springs of Dallol, potash, sulfur and other minerals, the wide white salt desert, a cave pure natural designed rocks, Lake Assale and Local Salt mining. After visitation we will go back to Mekelle then it will be end of the tour.
