- **MODE OF TRANSPORT: - FLIGHT AND DRIVE**
- **DURATION: - 15 DAYS AND 14 NIGHTS**
- **ACCOMODATION: - SUPERIOR 3 OR 4 STAR HOTELS AND LODGES**

DAY 1 ADDIS ABABA

Arrive in Addis Ababa. Reception and transfer to the hotel, where the rooms are readily available to freshen briefly before starting our journey of discovery. The exploration of the town starts at the Entoto hills from where we have stunning views over the city. We also visit the National Museum where we included can see the skeleton of the famous Lucy. Lucy is one of the oldest hominids on Earth, belonging to the Australopithecus afarensis. Then we visit the Holy Trinity Church where are the mausoleums of Emperor Haile Selassie and his wife.

DAY 2 ADDIS ABABA - BAHIR DAR

After breakfast, transfer to the airport and flight to Bahir Dar, located on the southern shore of Lake Tana. The rest of the morning is devoted to visit the waterfalls of the Blue Nile, where the water of the river enters after an impressive fall in a narrow ravine. Lunch overlooking the Tana lake and the pelicans and other waterfowl that live there. In the afternoon we take a boat trip on Tana lake, situated at an altitude of 1800 meters and thus the highest lake in Africa. In the lake are about 40 islands of which house some Ethiopian Orthodox monasteries and churches whose history often goes back to the 14th century. Christianity in Ethiopia is already present in four of the century and was therefore not spread by European settlers. The program includes a visit to the monastery of Ura Kidane Mehret.

DAY 3 BAHIR DAR - GONDAR

A journey of about two and a half hours brings us to Gondar. Along the way a halt is held in Awra Amba. Awra Amba is an 'ideal village'. The community is self-supporting. We visit the local school and the home. Gondar was the imperial capital in the 17th and 18th century and home to many beautiful monuments. We bring include a visit to the imperial city district (Fasil Gibi), the Debre Birhan Sellasie Church with its beautiful murals and Bath emperor Fasilidas. The day ends with a visit to the Dashen brewery, where we can taste the refreshing barley beer which is brewed here.

DAY 4 GONDAR - SIMIEN MOUNTAINS

Just outside Gondar we stop at a Falasha village. The residents are black Jews who live from pottery and weaving. We visit the synagogue. Then we head for the Simien Mountains (about 2½ hours drive) from the viewpoint of Kossoye and the small, historic town of Amba Giorgis. With peaks above 4000 meters, this volcanic mountain also known as the "Roof of Africa". The mountain range is crisscrossed by Wide River between often mists hang that whole a mysterious glow. We make a pretty, little effort demanding walk, where we sort of become one with nature and fully enjoy the beautiful scenery around us. In November the landscape colors are beautiful because of the flowers and greenery. Chances are very high that we encounter baboons during the walk, the only grass-eating baboons in the world to exclusively occur in the Ethiopian highlands. These animals, also called gelada's, live in large groups and are also not afraid of people, so they can be accessed until pretty close.

DAY 5 SIMIEN MOUNTAINS – AXUM

We leave this beautiful piece of nature and continue our trek to the north, in the direction Axum. A portion of the ride runs through the National Park of the Simien Mountains and we enjoy so regularly beautiful views. The drive continues through the valley of the Tekeze River. It is therefore today made regular time for photo stops and a stop on the frankincense trees that grow in this region is on the program.

DAY 6 AXUM

The Axum kingdom that flourished between the 1st and 6 of the century can rightly be called the cradle of Ethiopian civilization. A town of modest dimensions, is all that remains of the once magnificent capital Axum. Here and there are scattered but still a lot of monuments that recall the glory days of yesteryear. An entire day devoted to the visit of Axum, still the holiest city in the country. The day begins with a visit to the famous monolithic stelae or obelisks marking the graves of important people. Then visit the Church of Saint Mary of Zion, where the Ark of the Covenant would be preserved. Tradition tells how Menelik I, the son of King Solomon and the Queen of Sheba brought the Ark to Axum and founded the dynasty of Solomoniden. This dynasty ends reportedly only by Haile Selassie. Furthermore, the program includes a visit to the ruins of the palace of the Queen of Sheba, the tomb of King Kaleb and his son King Gebre Meskel and the archaeological museum. Let us immerse briefly in the bustle of the local market.

DAY 7 AXUM - MEKELE

Drive to Mekele (about 4 hours drive) through the historic Adwa Mountains. It was during the battle of Adwa which Menelik II in 1896 the Italian invaders inflicted a decisive defeat and managed to drive them out as Ethiopia. Visit to Yeha, one of the main pre-Axumite sites. The main attraction of Yeha is the fifth of the century church of Abba Afse, dedicated to one of the "nine saints", the founders of the Ethiopian Church. Inside the church are the remains of a two thousand five hundred year old temple, called the Temple of the Moon. We pass Debre Damo, a monastery atop a mesa. Monks and priests climbing through a rope. That is the only entry and with a little luck you will also goats and supplies in a basket on the same path going up. Women are not allowed. Lunch in Adigrat. In the afternoon visit to the church of Wukro Kirkos in Tigray.

DAY 8 MEKELE/HAMADELA

The tour will start at 9am from Mekelle heading to the North eastern part of Ethiopia, Danakil Depression. After we drive 45km asphalt road via Kwiha town we will reach Abala town in the Afar region. Starting from this town we will have 2 Afar police men joiners with us till we leave the region on the 4th day. Continue driving of 68km asphalt under construction we reach Erebti. After lunch, we precede 16km pista and 104km asphalt road to reach Afdera.

DAY 9 LAKE AFRERA/ ERTAALE

In the morning, we enjoy Lake Afrera and see how to harvest the salt in a modern way. Lake Afrera is a salt lake with around 100 square kilometers; if you like you can swim in there.

Next to the lake is a hot spring with mineral water, which invites you for taking a bath. On the way to the lake and back we take time to watch the wildlife in this area, a lot of ostrich, different kind of big birds, antelopes and other wild animals are living there. After lunch, we proceed to ErtaAle via Kesrawat. In Kesrawat, we will pick other four special forces with us till we drop them back in the next day. In the bottom of the volcano, we will take some time till the sun goes down. After diner, we start hiking of 9.5km (around 3 hours) to reach on the top of mountain, ErtaAle Volcano.

DAY 10 HAMADELLA

We walk down to the camp at the bottom of the volcano, have breakfast and drive back to Hamadella, where we reach in the afternoon. The meals are served on the way in the shadow of some palms. We do a walk in the Afar town "Hamadella" to show you how the people live and survive in the conditions of the desert. You have time to buy souvenirs, take pictures of the Afar and their village and you'll see plenty of the camel caravans.

DAY 11 DALLOL

After breakfast early in the morning we start our journey, with 45km through Dallol Depression. On our round we visit different places like salt lakes (red and black water), the colorful salt lakes and thermo active springs of Dallol, potash, sulfur and other minerals, the wide white salt desert, a cave pure natural designed rocks, Lake Assale and Local Salt mining. After visitation, we have our lunch in Hamadella then go back to Mekelle.

DAY 12 MEKELE - LALIBELA

Ride Mekele to Lalibela. This ride is without doubt one of the most scenic rides that can be done in Ethiopia. This is the region where the famine in the 80s of last century struck. People were subsequently returned and, thanks to new water, they can now live from the proceeds of their country. The typical huts and farms make the landscape an idyllic whole. Here is mainly grown teff, a type of grass which is the basic food for the Ethiopian. We travel in the harvest season. The grain is threshed with oxen and peasants singing harvest songs.

DAY 13 LALIBELLA

Lalibela was among the 10th and 13th century under the name Roha the capital of the Zagwe dynasty. In the beginning of the 13th century the city was renamed by the great eponymous king Lalibela. Lalibela is sometimes called "Black Jerusalem", a name that owes the city has to his 11 world famous rock-hewn churches, which are on the UNESCO World Heritage List. An entire day is devoted to visiting the 11 churches of this unique place: Bete Giorgis, Bete Medahne Alem Bete Meskel, Bete Maryam, Bete Denagel, Bete Golgotha.

DAY 14 LALIBELA

Excursion to Yimrehane Christos, located some 40 kilometers from Lalibela. Here we visit a grotto built in a 11th century Church who are slightly older than the churches in Lalibela. On arrival we heard from afar the water splashing down. The waterfall forms a curtain for the entrance of the church. First, our eyes have to adjust to the darkness and then we see the beautiful church. The building is constructed from marble and wood on the outside and inside very nicely finished. At the back of the cave we do a macabre discovery. Return to Lalibela where there in the afternoon some free time is. For lovers, there is a visit includes the Church of Neakutolaab, built in a cave in a steep cliff. In the early evening visit to a project of the city of Peer. Disadvantaged young people get a meaningful occupation. In the evening we enjoy a farewell meal, enlivened by local authentic music.

DAY 15 LALIBELA - ADDIS ABABA

Quiet morning and then transfer to airport for flight to Addis Ababa and End of the Tour.
