ITINERARY OVERVIEW

Lake Ziway is one of the freshwater Rift Valley Lakes in Ethiopia. The Lake is famously known for the church of Maryam Tsion which once housed the Ark of the Covenant to hide it from invaders. The island is full of different species of bird life, hippos, and rich in fishery production. It's a great outing from Addis to enjoy spotting various low land water birds, a boat trip to the Bird island for bird watching more than 25 species of bird life and Gelila island to see different families of hippos, experience the way of life of the last races of the Zai people, visiting the Church of Maryam Tsion.

SCHEDULE -01 ISLAND VISIT

A quick walk past the tiny island's only house and up the forested slopes will take you to a monastery that is often closed . Walk around it's perimeter for good views of the lake .

SCHEDULE -02 THE BIRD ISLAND

The Birds Island is a home for more than 25 Species of Birds Bochessa Birding area a lake side watland the area attracted a number of migratory species notably the lesser jacana saddle billed stork black heron and African Pygmy goose & at the island of GELILA we also visit ancient monasteries once it a home of the ark of the covenant.

SCHEDULE -03 SPORTING FAMILIES OF HIPPOS & BIRSD

Lake Ziway is a home to numerous species of bird in the great Rift Valley of southern Ethiopia but also at the lake you will see a Group of families of Hippopotamus at the banks of Lake Ziway in here it's a perfect place to photograph.

SCHEDULE -04 DRIVE BACK TO ADDIS ABABA
