ITINERARY OVERVIEW

Taking a trip to Wenchi Crater Lake is a nice choice for spending your weekend vacation. Wenchi Crater Lake is 155 km west of Addis Ababa, between Ambo and Weliso. An extinct volcano, the top of which is 3380 meters above sea level, is a crater that contains a large lake, hot mineral springs, waterfalls, beautiful valleys and farmland. There is an old monastery with a church situated on one of the lake islands
